Interdisciplinary Studies

A group of related courses from various disciplines

Letter of Permission

An official document granting prior approval to take a course from another university for credit to a Mount Allison program

Major

The discipline(s) or area of specialization selected to fulfill part of the requirements for most Arts, or Science degrees

Performance Indicator

An indicator of a student's progress as Satisfactory (TGPA of at least 1.5) or Unsatisfactory (TGPA of less than 1.5) at the end of each academic term. This is not an academic standing and is not recorded on the transcript. An indicator of Unsatisfactory serves as a warning that a student might be in academic jeopardy if grades do not improve and academic advising should be sought.

Prerequisite

Many courses require knowledge of material covered in other courses to ensure that a student has the background necessary to complete the course successfully. A prerequisite states the requirement that must be completed or waived before registration in a course is permitted. This requirement may consist of one or both of the following:

- a) having a certain registration status (i.e. in a particular program or having a specified standing); or
- b) having earned credit for a course or combination of courses.
Students must obtain a grade of at least C- in each course used to fulfill this requirement.
